DESCRIPTION/OPTIONS: One owner, no pets, non smoker and in excellent condition. The only two things which are only slightly noticeable are a little bit of clear coat displacement. This Flying Cloud was purchased brand new June, 21 2016 by a single older gentleman and is like new inside. Smells great and looks fantastic especially with the Black and Tan oyster leather interior package with beautifully appointed wood cabinetry and lots of LED lighting with dimmers. Electric and propane powered including two 30 pound propane tanks with stainless steel tank holder, refrigerator, microwave, stone guard on front, outside shower, power jack, 2 brand new batteries, rear bumper that also doubles as exterior storage, lots of privacy window shades including two really nice vinyl style folding doors for bedroom and/or bathroom privacy. Lots of outlets, USB ports, stereo with CD player, two flat screen tv's, cable hook ups plus roof antenna for "FREE HD" over the air tv, \$300 worth of two / trailer stabilizers included. Roughly 6500 pounds thus towing with a half ton truck or large SUV should be no issue. Replacement cost to our knowledge is roughly \$81k or slightly higher depending on option package. Save some money on this classic, timeless design trailer and go relax somewhere in luxury and comfort. WilliamsAndSonEnterprises.com
