**DESCRIPTION/OPTIONS:** The 2022 Chevrolet Express 3500 Cargo is a robust and versatile full-size van engineered for those who demand uncompromising functionality. Underneath its durable exterior lies a potent V8 engine, delivering substantial horsepower to tackle heavy-duty jobs with ease. Its expansive cargo space is designed to accommodate a variety of business needs, from transporting equipment to customized upfitting options. The interior, though utilitarian, is equipped with essential features like a user-friendly infotainment system and modern safety technologies to enhance everyday driving. With its strong chassis and dependable performance, the Chevy Express 3500 is a testament to reliability, making it an ideal partner for businesses seeking a dependable workhorse that keeps pace with their demanding schedules.
